Hi ...

I hope you are well.

Thank you for allowing us in your home. We had a fabulous time and your home is lovely.

[your staff members...] were fantastic.

Please let me know if you ever need for us to speak to any future renters. We will be happy to give an excellent rating.

Thank you again

"We had a wonderful time and your family's home and staff were extremely

welcoming to all of us and made our trip a great time for everyone!!

...

As a group we have traveled together each April for the past 7 years and

based upon what the ladies (they are the decision makers...) have said

I

would expect to return to Casa De Campo and Las Colinas 8 again next year..."
